

August 21, 1948

Pursuant to notice as required by law, and as required by Petition of Howard Walker and Virginia Walker, requesting me to establish, locate and perpetuate the East line of the following described real estate situated in Monroe County, in the State of Indiana, to-wit:

A part of the Northeast Quarter of the Northwest Quarter of Section 5, Township 8 North, Range 1 East, described as follows, to-wit:

Beginning at the northeast corner of said quarter quarter section and running thence west along the section line one rod; thence south to the public highway known as State Highway Number 46; thence east along the north line of said Highway to the east line of said quarter quarter section; thence north along the said east line of said quarter quarter section to the place of beginning.

I proceeded to make all necessary surveys to locate said line. I located the corner stone at the northwest corner of said section 5, township 8 North; Range 1 East, also the corner stone at the southwest corner of section 32 township 9 North; Range 1 East in said County and State.

I surveyed the west half of said section 5 over and along the north line thereof, and found that said section is a fractional section, and that the west half over and along the north line is  $2612\frac{1}{2}$  feet in length. I also found a stone located in the north line of said section 5 marking the center line of said section 5, which stone is located twenty-six hundred and twelve and one half ( $2612\frac{1}{2}$ ) feet east of the Northwest corner of said section 5. I find that said last described stone in the center section stone on the north line of said section 5.

The distance of 2640 feet from the stone at the north west corner of said section 5, which distance constitutes a full half mile or a full half section would over lap the stone in the center of said section 5 by  $27\frac{1}{2}$  feet to the east and would make the center line of said section 5 running through Floyd Hall's residence, therefore I hereby declare the west half of section 5 in Salt Creek Township to be short and establish the stone located  $2612\frac{1}{2}$  feet east of the stone at the northwest corner of said section 5 to be the center line of said section 5 and the northeast corner of the real estate described above.

*John T. Sigbilton*  
Surveyor of Monroe County  
State of Indiana.
